"DR. MILES,"

Through His Nerve Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows: "Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nerve and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nerve is a benefactor to thousands." A. C. LEHMAN. Editor and proprietor of THE LAKESHORE. Dr. Miles' Nerve is sold on guarantee first bottle will benefit or money refunded.

Paris' Chances For A Public Building Trembling In The Balance.

SPEAKER REED gave very cold comfort to the members who consulted him concerning the passage of public building bills in which Paris is deeply interested. Mr. Reed said that as the Government was living beyond its income he failed to see the wisdom of increasing expenses.

It was reported Wednesday that Speaker Reed will not permit any special order for the consideration of any bill reported by the Committee on Public Buildings and Grounds, notwithstanding that more than 200 members have petitioned for recognition for consideration of these bills. It is understood that at the next session he will give members interested in these bills an opportunity to get them before the House for consideration.

Neighboring Counties After Free Pike.

THE Carlisle Mercury says: "There is scarcely a turnpike in Harrison county that the owners could not afford to turn over to the county if the county would promise to keep it in repair and make it free of toll. No turnpike was ever built with the idea of profit—it was always for the purpose of getting a good road."

A Frankfort exchange says of Woodford county: "Under arrangements made with the county authorities there have been 120 miles of turnpikes in Woodford county turned over to the county officers. They will be made free under the orders of court, about February 1st. This leaves but a few miles of pike not free and these are ones that pay pretty good dividends to the owners of stock. Further arrangements will be made with these pikes."

The County Judge of Garrard county has received an anonymous letter warning him that if the legal steps necessary to free the turnpikes were not pushed with more vigor, dynamite would be employed to hasten matters. Garrard county voted for free turnpikes over two years ago.

SOUSA AND HIS BAND.

Sousa's peerless band comes to the Paris Grand for a matinee concert Monday fresh from great and renewed triumphs and is playing in superb form. The present organization is undoubtedly the best organization of musicians that Sousa ever directed, and is admitted to be the greatest band that ever played in this country. Sousa has the faculty of so combining classical selections and popular music in his programmes that all who attend the concerts are satisfied. A little dash of march or waltz, or a dapper song with sandpaper shuffle and tambos, makes the contrast that is needed to relieve the soberness of the classical compositions. Sousa has studied this thing and has made himself the most successful and popular bandmaster in the country, if not in the world.

The citizens of Paris will have an opportunity of seeing the pictures made by the marvelous Magniscope, at the opera house, Monday, Tuesday and Wednesday nights, and Wednesday matinee. The Magniscope is the wonder of the age and is endorsed by the pulpit and the press.

Miss Elizabeth Monseratt, a Paducah girl who joined John Griffith's company several weeks ago, has tired of the stage and renounced it forever.

Crazed by tight lacing, Matilda Bartholot, suicided Tuesday in New York by hanging herself to a transom.

Mabel Duncan, of the Geisha Co., has won a \$50,000 breach of promise suit from Capt. A. B. Crabb.

A bill placing an embargo on the high theatre hat will be introduced in the Colorado Legislature.

Yvette Guilbert sings in Louisville next Thursday night.

Joseph Haworth is now Modjeska's leading man.

Dorothy Morton's real name is Libby McCarthy.
